 6. It was decided also that there should be an At Home open for the Present Students and that they should be asked to an Association meeting as at other Conferences.
 7. It was decided to hold an "Aftermath" of the Conference in London - date to be fixed later - when those Students who had been to Ambleside could tell others about the Conference there.

SCALE HOW,
AMBLESIDE.

January 4th, 1917.

My dear "Bairns!"

It will be delightful to see you at Easter, if, indeed, considering the present restrictions on travelling, you see your way to undertake what must be for many of you a long and difficult journey.

Should you come, I suppose it will be as before; you will arrive on Thursday, April 12th, meet in the classroom here on the *Friday*, and on the *Saturday* morning. We shall manage to put ourselves somewhere (with a great deal of pleasure), and in the evening you will come here, I hope, to an "At Home," just an occasion for talking and making friends, and for giving me the pleasure of seeing the dear faces once more.

On the Sunday you usually come here to early dinner and tea, and some of you might care to join what you used to call "meditations." Then, on Monday morning, I wonder shall you have an Association Meeting which you would like the present Students to attend in the big classroom, and in the evening, I think they have it in view to produce a play for you, unless you have other plans.

But none of this is fixed, so please make any changes that occur to you, being very sure that the pleasure of seeing you, and the hope that the Conference may be a very happy one, whose memory will cheer us all in these dark and anxious days, is what we care most about.

I shall be particularly glad of an opportunity to tell you of the great national work which has come to us in these war days. No doubt you have all heard something of the in-

p40(c)pneu165

troducton of P.U.S. work into elementary schools, but can hardly, without seeing it, understand the avidity shewn by both teachers and children, nor the cordial way in which H.M. Inspectors and educational authorities give their help; in Bradford the Educational Committee is prepared to advance a three years' allowance in each school for books and stationery, in order that teachers may get the necessary books.

Now, last Summer (in South Wales) when Miss Parish, Miss Kitching and I talked over a "plan of campaign," our very first thought was of the old Students; how, in some cases the parents of your children would probably be school managers or members of Council, and, if not, would be able to reach the Inspector or the Director of Education, or both.

I suppose the first thing would be for you to get your "parents" interested in an effort which should do much for the happiness of our country, should give all children many interests and resources, and should help to ease labour troubles by giving the people something besides their grievances to think of. This is the first thing, and once you have secured this interest, I know Miss Parish will give you pamphlets with which to bombard people, with various advice and introductions.

Of course the principal people to get hold of are the *teachers*, and I think anyone who *sees her way* to do something had better ask Miss Parish for the three pamphlets and study them very carefully before beginning so that she may be able to answer any questions.

Still hoping to see you, war time notwithstanding,

I am, your always affectionate friend,

CHARLOTTE M. MASON.

Meeting of the S.E.C. held at
8 Chemist Chambers - Feb. 14th - 1917.

Mr. Ecclestone in the Chair. Members present
Mr. Bellerby. Miss Berman. Young. Claxton of Gray.

1. The minutes of last meeting were read
2. A letter from Miss Macfarlane was read resigning her membership of the S.E.C. As an election is to take place so soon it was not thought necessary to fill her place immediately.
3. In consideration of the rise in the price of fares and other difficulties in the way of railway travelling - and in the likelihood of these conditions getting worse rather than better, it was unanimously decided to give up all idea of an Ambleside Conference. We hope however to be able to arrange a ~~one~~ day conference in town and the Secretary was asked to find out whether it would be possible to fix it in with the P.N.E.U. Conference - (should

p42(a) pneu165
one be held in London) - otherwise
to arrange for it on the first Saturday
in June. That the morning shall
be devoted to the discussion of the
question of the V.L.S. work in Elementary
Schools and the afternoon to "Our
Children & the War" - tea & "social
time" afterwards. We hope to be able
to hold the meetings at Craven Road.

4. It was decided to go on with the preparations
for the election of a new S.E.C. & that the
voting papers should be sent round in
the March magazine.
5. The rules originally drawn up for the
conducting of the S.E.C. were read with
a view to revision if necessary - but it
was considered that no alteration was
advisable.

The Annual Meeting was held according to the
foregoing suggestions ^{on July 6th} and the account appeared
in the July Plant. 42 Students were present including
8 who are still at Sealeston.

Meeting of the S.E.C. held at
28 York St Chambers - October 17th 1919.

Mr. Hughes Jones in the Chair. Members present -
Misses Kitching - Young & Gray.

1. The minutes of last meeting were read.
2. Miss Janet Smith was elected Editor in the place of Miss Linn who has resigned.
A very sincere vote of thanks and appreciation was passed to Miss Linn for all her splendid work and the Secretary was asked to write and hand it on. It was also felt that it would be nice to show our appreciation in
* some tangible form, and a slip is to be sent round in the January Magazine asking for small subscriptions (not more than 1/-) for a presentation.
3. Miss Sumner has requested that she might be allowed to receive the Plank on payment of the yearly subscription and it was decided that being a member of the Scale How staff she should be allowed to do so.

p44 (a) pneu 65
4. It was felt that the time has come for us to begin to think about some way in which we - as Students - can commemorate the war. A letter is to be put into the January Magazine asking for suggestions.

The question of Life Membership came up and it was felt that the subject might well be discussed at the next Conference. Then a Roll of Honors was suggested for old scholars of the P. U. S. - now serving their country. Students are to be asked to send in the names of any they know, and we hope to get a fairly complete list.

There was a little discussion about the subject matter of the Plant, and it was felt that it might be run on a broader basis, and might publish articles on women's work & social problems, which will figure very largely in the lives of the children now in the school and because of that - should be of great importance to us as teachers.

5. The sum of £5.7^{p44(b)prou165} was contributed for the Presentation to Miss Wix. £3 was spent on a good pair of Bird glasses -
6. a considerable reduction on the usual cost price owing to the kind help of Mr. Eslemont. £2.2 was spent on a hand made pendant & chain and with the balance Miss Wix has had some special straps made to carry the glasses independent of the case - and is I believe having her initials and "from the A.O.S.A. 1918" inscribed on them as well.

CONFERENCE SUNDAY "MEDITATIONS."

So great was the gathering on Sunday afternoon that we had to break the custom of ages, and "Meditations" took place in the classroom instead of the drawing-room. However, in spite of the change of place the atmosphere was the same.

Miss Mason gave us first the note of power and hope of the Easter Collect—that good intentions may be brought to good effect. Then from *The Saviour of the World* Miss Mason traced the career of the disciple John the Baptist—none greater born of women and yet, "He that is least in the Kingdom of Heaven is greater than he." Miss Mason read the extracts and commented upon them, taking his history, his "great recognition" of our Lord, his intuitive perception that the cause must always be greater than he who works for it, "He must increase and I must decrease" and his passing phase of loss of hope and vision, "Art thou he that should come, or do we look for another?" Then, lest we should think it a hard saying that a man "more than a prophet" should be less than any humble child of the kingdom of God, Miss Mason read to us the dialogue between the disciple and the Master from *The Saviour of the World*, with its ultimate conclusion in the "conviction which broke John's heart." And it is a warning for all women to remember the ultimate words on his final end, who fell "slain by a woman's hate of righteousness."

R. A. PENNETHORNE.

THE ASSOCIATION MEETING.

A short history of the Association was given, telling of its growth and development from the time it was first started by Miss Lanphier and others in 1895 down to the present day. By 1908 it had grown considerably, and so the S.E.C. was formed whose chief business should be to plan the programmes for the biennial conferences—a fresh committee being elected at each conference. It was decided at the meeting this year to increase the number of ordinary members to nine—so that the S.E.C. should be as representative as possible. The result of the voting and the names of the new committee will be found on another page.

The question of life membership was discussed, and it was decided that any student might become a life member on payment of £5. The money of course would be invested and the interest used in place of the annual subscription.

The matter of the Della Robbia plaques voted for at the last Conference was also discussed. Students will remember that the balance of the coming-of-age presentation money was to be spent in this way, and it was decided that the order should be carried through as quickly as possible.

p54(i)pneu165

Miss Parish pleaded hard for fresh subscribers to the *Children's Quarterly*: otherwise she feared that it would have to come to an end. Another point brought forward was that of the students' meetings in town, and after a good deal of discussion it was decided that a small committee of London students should be formed which would draw up a plan of campaign and arrange for meetings to be held in various places, and that some definite programme should be planned for each, one student holding herself responsible for each meeting. We hope very much that the efforts of this committee will meet with much success.

Some discussion about the magazine followed, and Miss J. R. Smith suggested debates on given subjects and other ways by which the PLANT could be made both helpful and attractive. All articles must be signed with the writer's own name, though plain questions may be asked anonymously.

Finally, Miss W. Kitching reported on the Scale How Mission Fund, and proposed a very hearty vote of thanks to all the present students for all they had done to add to the success of the Conference. This was carried with great applause.

Meeting of the S. E. C.
held Nov 4th 1919. at 8 Chemist Chambers.

Members present - Mr. Hughes Jones (in the Chair)
Mr. Ecclestone - Misses Kitching - Berman - Gray -
and Curry.

1. The minutes of Mr. Hughes Jones was formally elected Chairman of the new Committee which then met for the first time.
2. The minutes of last meeting were read.
3. Res Letters of resignation were received from Mr. Shelley & Miss Claxton who are now away from town. Miss P. Williams (1917) was suggested to fill the place of Mr. Shelley and it was decided to wait till the Spring to fill the other vacancy in case Miss Claxton came back to town.
4. The Secretary reported that she had been unable to obtain any of the Donations for Sealstons - but was asked to write again to Florence. Miss Curry undertook to try and find out something about the firm (Cantagelli) from whom they were ordered originally.
5. Miss Parish wrote saying that after January the Children's Quarterly would have to be discontinued

p56pneu165

owing lack of funds. Naturally we regret the news but it was not unexpected after the report she gave us at the Conference.

6. Miss Curry resigned her post as Chief Scout Captain. She had received a letter from Miss Mason saying that Students no longer at College were perfectly at liberty to join the Girl Guides and it was thought that it might be a great help to them to take advantage of the splendid organisation of that body.
7. Miss Berman gave the names of two Printing firms and the Secretary was asked to write & get estimates from them for the Plant.
8. Miss Kitching reported that contributions to the Bursary had practically stopped coming in and it was suggested that she should write a stirring appeal for the next Magazine - giving a definite date of closing the Fund - hoping that by that means to get more money.
9. Miss Kitching asked whether the Mission Fund this year might be divided between Miss J. Perry & Miss Leagie Clendinning who is now working in Birmingham: this was agreed to on the understanding that the money was used in some educational way for her Girls Club.

& Young.

1. In the absence of Mr Hughes Jones, Miss Parish was elected chairman

4. The Secretary reported that the Donatello plaques had reached Scale How, & that after sundry expenses connected therewith we have a deficit of 10/. Miss Mason has kindly offered to bear the additional expense of fixing the plaques, but it was decided to issue a leaflet to be sent to members of the Assen dating from the year 1914 soliciting subscriptions of one shilling, thus giving them an opportunity of participating in

the gift to Scale How.

5. Estimates have been obtained from two firms of printers, both of which are higher than the G.C.P. It was agreed that Miss Berman make further inquiries
6. Arrangements were made for the Annual meeting to be held on the 2nd Sat[?] in July, the rendez-vous being the Lion Gate of Lew Gardens, at 2.30. 7. Miss Kilching reported that the Memorial Fund now stands at £143, which is placed at the bank at 3% interest. It was agreed that as the sum is too small to form a bursary it should be disposed of in one of the following ways:

 - or 2. To purchase a grand piano for Scale How
 - or 3. a lantern & screen;
 the matter to be settled by the vote of the 66 subscribers.

Meeting of the S. E. C.

held Oct 5th 1920. at 13 Bryanston Street.

Members present - Mr. Hughes-Jones (in the Chair) Mr. Esler

Riggs Berman - Kitching - Young - Curry - Lambert & Co.

1. The minutes of last meeting were read.

2. The Secretary reported that enough money was collected from the more recent students to cover all extra expense connected with the Plaque for Scalet How; There was a balance of 20/- which it was voted should be sent to Scalet How to meet any cost of fixing.

3. A quotation from the Rydal Press. Keigley was brought forward which was lower than the amount we are at present paying to the J. C. P. & it was decided that we would give the order for the January Plant to them.

4. The subject of the Club room was then discussed.

A letter was read from Miss Frost - the Secretary of the
Leisure Club - 16 Gordon Square, explaining on what
terms the Assn. might be affiliated to the Club -

and what benefits we should derive from the affiliation.
It was decided that the Ass: should stand the cost
of the Affiliation fee of £10.10 for one year - so that
we might be able to judge what use would be made of
it. The conditions are as follows: -

1. That the Ass: pays an annual affiliation fee of ten guineas.

Р60рхн 165

2. That members of the Association sign the Clubbook and add the initials of the Association to their name.

- 3 That the Committee Room be used not more than twice a term: the date on which it is to be used is to be notified at least four days in advance.

- 4 That on the days of a meeting of the Ass: at the Club
all members take tea - if desired - in the Committee Room

5. The affiliation fee entitles the members of the Ass: to use all the Club rooms with the exception of the three guest rooms which are reserved for regular members. Of course any member of your Ass: can become a regular member by applying in the usual way.

5. Ways & means of getting Annual Subscriptions paid early in the year were discussed - and it was decided that each month's delay should mean another 6^d out the original 5^s Sub: So that a Sub: paid in Feb would be 5/6 - one in March 6/- and so on.

6. It was decided to send round a notice asking for Contributions of 2/- or more towards a presentation to Miss Williams - who is giving up her work at Ambleside at Christmas time. Miss Allen is to be asked to write an Appreciation of Miss Williams of her work at Scale Hall for the January Plant.

7. It was decided to hold the next Students Conference

in the Spring of 1922.

8. The Students' Meeting were then discussed and various suggestions were made as to how these could be made of real use to the Students - and not be merely a time of social intercourse. It was decided that the first part of each meeting - to begin at 3.30 - should be used as a time for questions & open discussion & that there should be a chairman appointed at one meeting for the next. Miss Kitching consented to act as chairman for the November meeting. It was decided that we should wear our names as a help to being sociable.
9. Mr. Gould was authorised to send a Circular letter to students urging upon them all to become Life members of the Association - and putting forth the advantages of such a step. - payment to be made either in one payment of £5.5 or in 5 annual instalments of 25/-.. We hope that the response to this appeal will be wide. and that the Assn. will be placed on a firmer financial basis than it has been hitherto.
10. It was resolved that the Hon. Treasurer - Miss Lilian Gray, now residing at 3 St David's Avenue Benhill. be authorised to operate on the G.O.S. Assn. Bank Account now kept at Lloyd's Bank Ltd. Benhill-on-Sea & that the Bank be advised & that cheques drawn on that account will bear the Signature of the Hon. Treasurer only.

M. M. Kitching -

Meeting of the S. S. C.
held Feb. 9th 1921 at 13 Bryanston Street.

1. The minutes of last meeting were read.

7. It was decided to hold the Annual Meeting of the Association early in July - according to the date of the P. N. S. U. Conference. The meeting to take the form of an "outing" as last year - preferably to New - all details to be arranged later published in the June magazine.

* 8. A letter was read from Mr. Gould offering suggestions for the election of the Committee: it was thought best to elect the S. S. C. triennially instead of biennially & coincide with the triennial Conference. The letter from Mr. Gould is to be held over and considered in the Autumn.

The next meeting of the S. S. C. is to be held early in October - date to be fixed later.

8. The Conference was postponed for one year on account of the Whistby gathering. It was quite realising that a biennial Conference is at Ambleside is too much for the College - and that it seemed to rest between continuing ^{to hold} a biennial Conference with every alternate Conference at Ambleside or a triennial Conference - held ~~there~~ each time at Ambleside & we felt that this is a matter for discussion at the next Conference.

August 9th, 1923.

DEAR FELLOW STUDENTS,

I am sorry to have to report that the Annual Meeting of the Association, arranged to be held on July 14th, came to nothing, as only 21 Members were present, the necessary quorum being 25. Plenty of notice was given, for the date was published quite two months before-hand, and Students were asked to keep that afternoon open. It was most disappointing to have such a poor response—and one wonders why so little interest was shown. It is now proposed to hold the Meeting on Saturday, September 29th, at 3 p.m. prompt, and Miss Faunce has once again invited us to 3, Queen's Gardens. So will all who possibly can make a special effort to be there then, so that we may "make good," and be there in large numbers. I know it is not a happy time to be sending out notices and appeals, as you will all be so scattered for the holidays, but I trust that the majority of these will ultimately reach those to whom they are sent. Will all who see any chance of attending the meeting kindly send their names to Miss Faunce, before September 15th, so that the necessary arrangements may be made. And please bring these papers with you so that all present may have a copy of the Agenda ready to hand, as that will help much to the proper conduct of the meeting.

I am,

Yours sincerely,

LILIAN GRAY.

STUDENTS' MEETINGS will be held at The Leisure Club, 16, Gordon Square, on Saturday, November 3rd, and Saturday, December 1st.

Miss Bernau will arrange some date at the Meeting suitable for her personally conducted visit to the British Museum.

- VI. To appoint representatives for the Association to serve in conjunction with the Parents' National Educational Union, or such other public bodies as the Union may at any time consent to their being represented upon.
 - VII. To uphold the status of the teaching profession by always remembering their public capacity; and by conforming to such usages in the matter of payments, appointments and conditions of work, as the Parents' National Educational Union may from time to time advise.
 - VIII. To co-operate in all ways compatible with the Parents' National Educational Union and with all teaching bodies concerned with the welfare and interest of children.
 - IX. To arrange for, and hold, such meetings and conferences as may be summoned in accordance with the constitution.
 8. That there should be a definite programme drawn up for all students' meetings from October to May, and that it should be published in the Plant.
 9. That the next meeting of the S.E.C. be held on at
 10. Any other business.

of the P. N. E. U. was read by Miss Lambert. There was no report from the Insurance Committee though Miss Macfarlane wrote making a few suggestions. Miss Young regretted that owing to illness at home she had been unable to attend the last meeting of the Propaganda Committee.

Miss Plumthorne however told us of meetings that were being planned in Scotland & the North and of the Children's Conference that is being arranged for in Canterbury in celebration of the 100th programme of the P. U. S.

Both Miss Macfarlane & Miss Young have had to resign; their places will be filled at the next Committee meeting.

4. Mr. Gould proposed, and Miss Wiseman seconded, the following resolution - "That no Student holding office at the P. N. E. U. headquarters 26 Vic. St. or at the Hq. of E. Ambleside in any capacity, shall also take office under the Hq. of E. T. O. S. A. except as a private member, i.e. as representative of the year."

There was a good deal of discussion on this question, but it was finally carried by a large majority, only seven (including four

postal votes) voting against it. This is to date from the 1924 Conference.

5. The resolution in connection with the non-payment of Subscriptions was left for the S. E. C. to discuss at their next meeting.
6. It was decided that the next Students Conference should be held in Ambleside in the Spring of 1924. No one voted against this though a few Students ~~also~~ refrained from voting at all.
7. The objects of the Ass. were then discussed and it was decided that they should be adopted in a more concise form than that in which they were published in the agenda. The approved form is inserted here. It was suggested that this should be sent to the Sec. of the N. C. W. to see if there would be any possibility of our sending a Delegate to their Edinburgh Conference to be held in the middle of October.
8. A definite programme for Students meetings through the winter was then discussed. It was felt that it would be a good thing to have some special attraction for each meeting, in the way of an address, reading etc. and a Sub. Comtee was appointed, consisting of

Misses Worsman, Gladding - Dene & Mrs Reid
to draw up a programme & submit it to the
next S. E. C. meeting.

9. It was decided that the next meeting of
the S. E. C. should be held on Wed. Oct. 17th
at 5 p.m. at 13 Bryanston St.

10. The appended letter was received from
Mrs Franklin. This matter was discussed
but it was felt that we, as a meeting, could
not send a corporate reply, though there
was a general feeling of willingness to fall
in with anything that the Council might
arrange. It was thought that letters from
Students giving their own individual
point of view, might be helpful to Mr. Household.
A letter is to be sent to Mrs Franklin
expressing this feeling.

A hearty vote of thanks to Miss Allen for
taking the Chair and to Miss Fancee for
her kind hospitality concluded the meeting.

To the Secretary Ambleside Study
& House of Education Teachers' Association
Dear Secretary.

I am writing to tell you that
I have put on the Agenda of the
Ambleside Council appointed by
Miss Mason to manage the House
of Education, Parents' Union School
& Practising School, to be
discussed at their next
meeting on January 3rd 1924,
the question of the placing of
Ex-Students of the House of
Education after their first post.
My own opinion is, that it
should be left for the present
in the hands of the Principal
of the College as long as she
feels able to carry out so big
a task, but naturally it is

P89(c)pneu/65

not the work of a Principal
ex officio, & I can only speak
as Hon. Secretary of the Union,
& I therefore think that it wd ~~be~~
help the deliberations of the
Council if an expression of
opinion on this subject from
your organisation could be sent
to Mr H. W. Household, Chairman
of the Council, at Shire Hall
Gloucester, before the next meeting.
In sending your letter, will you
kindly also forward this one?

yours sincerely
H. Franklin.
